Economic Requirements for OCL Periodic Requirements List for the Months, 1 January - 30 April 1957

REF : St/I Office Notice No. 99, 14 November 1956 and OCL-5885/56,  
Guide No. 16.

Transportation Branch's requirements for the OCL Periodic Requirements List for January - April 1957 are as follows:

1. Page 9, Retain 1. g.
2. Page 17, Add after 0. 2.:

P. Transportation:

- (1) Are there any indications of disruption of civilian railroad traffic for military purposes.
- (2) Is there any evidence of a buildup of locomotive and rolling stock reserves or fuel stocks for military use.
- (3) Have any transportation directives which might have military significance been issued.

3. Page 22, Retain 5. g.
4. Page 23, item 5, Transportation

Delete item f; retain all other items and add:

- j. The USSR has announced an extensive 15-year plan for railroad electrification and dieselization which is expected to result in almost complete abandonment of steam traction by 1970. Any information on diesel-electric or electric operations and abandoning of steam facilities such as steam locomotives, water towers, maintenance depots, would be of current value.
- k. Is there any evidence of a railroad tank car shortage in the USSR? Information is desired on orders for tank cars placed with other countries on behalf of the USSR and China.
- l. Information is desired on the progress of oil pipeline construction in the USSR, particularly in Siberia east of Ousk.
